INSTRUCTIONS:

Please take a moment to review the instructions on all product packaging before beginning any project.

1. Separate wire springs and wood. Sand wood the smooth any rough areas or edges.
2. Using the brush apply two smooth even coats of paint to each of the pins as follows- large- Pop Pink, medium- Think Pink, small- Pansy. Let dry.
3. Using a separate sponge for each paint color stamp the swirl image on the outside of each pin using the contrasting colors. Dab the sponge into the paint, tap the

excess off on the plate and then pounce the paint onto the stamp and press the image onto the surface. Work quickly as acrylic paint dries fast. Practice the technique on a piece of paper first, then when your comfortable then move to the surface. Let dry.

4. Arrange rhinestones as desired on surface and secure in place using Sobo glue. Let dry.
5. Replace springs and enjoy!
